

REED CHIROPRACTIC 2013 6 Week Wellness Challenge

Rules

Individual Challenge

There will be three Challenge Categories: Bronze, Silver and Gold.

Each category will have a specific point range. If, at the end of the 6-week challenge, your total points fall into the point range for a specific category, then you will meet that Challenge Category requirements. You will then be placed in the drawing for the prize set aside for that specific category.

Example: *At the end of the 6-week challenge your point total equals 650. You find yourself accomplishing the Silver Challenge and will be placed in a drawing for the Silver Prize.*

If you accomplish the Gold Challenge, then you will be eligible to win the Gold, Silver or Bronze Prize. Only one prize will be awarded to each winner.

Example: *At the end of the 6-week challenge your total points equals 800. You find yourself accomplishing the Gold Challenge. Your name will be placed in the drawing for the Gold, Silver and Bronze Prizes. If you win the Gold Prize, then you are not eligible to win another prize. If you do not win the Gold Prize, then you can win the Silver or Bronze Prize...and so on.*

Team Challenge

There will be a Team Challenge in which Three (3) individuals will compete together to be the top team to score the most points combined.

At least one member of the team must be a current patient of REED Chiropractic. The other two can be patients, family, friends, neighbors or others. If any team member is not a current patient, then they will not obtain the point each day for “Chiropractic”. (Although the loss of (7) points each week can be made up for in other categories.) If a non-Chiropractic patient team member becomes a patient of REED Chiropractic during the challenge, then that person will receive “chiropractic” points beginning the day of becoming a patient. Remember it is an accumulation of all three team members points at the end of the six week challenge. Teams must be decided on prior to the start of the challenge (January 14, 2013), and Reed Chiropractic must have registration information for each team member.

Most Improved

REED Chiropractic will determine the “Most Improved” competitor over the 6-Week Challenge.

Prizes

Team Challenge

Team of 3 with the most total points of all combined team members.

30% of the total entry fee dollars
